**ABOUT COMPANY:**

Year 1991... İmbat breeze hits Izmir for the first time. We took our first steps with the strength from our crew and an unsatisfiable hunger for knowledge. We reached remote corners of the country and then the World in with our industrial cooling and climatization production. We spent years on this journey. We grew into an adolescent throughout. One thing we have not lost along the way was the excitement of our very first step. We became the face behind many firsts in the country. We became one of the few experts in the sector with our innovative solutions and quality. Year 2020... We are proud to stand before you with 29 years of intense experience, knowledge and excitement.
